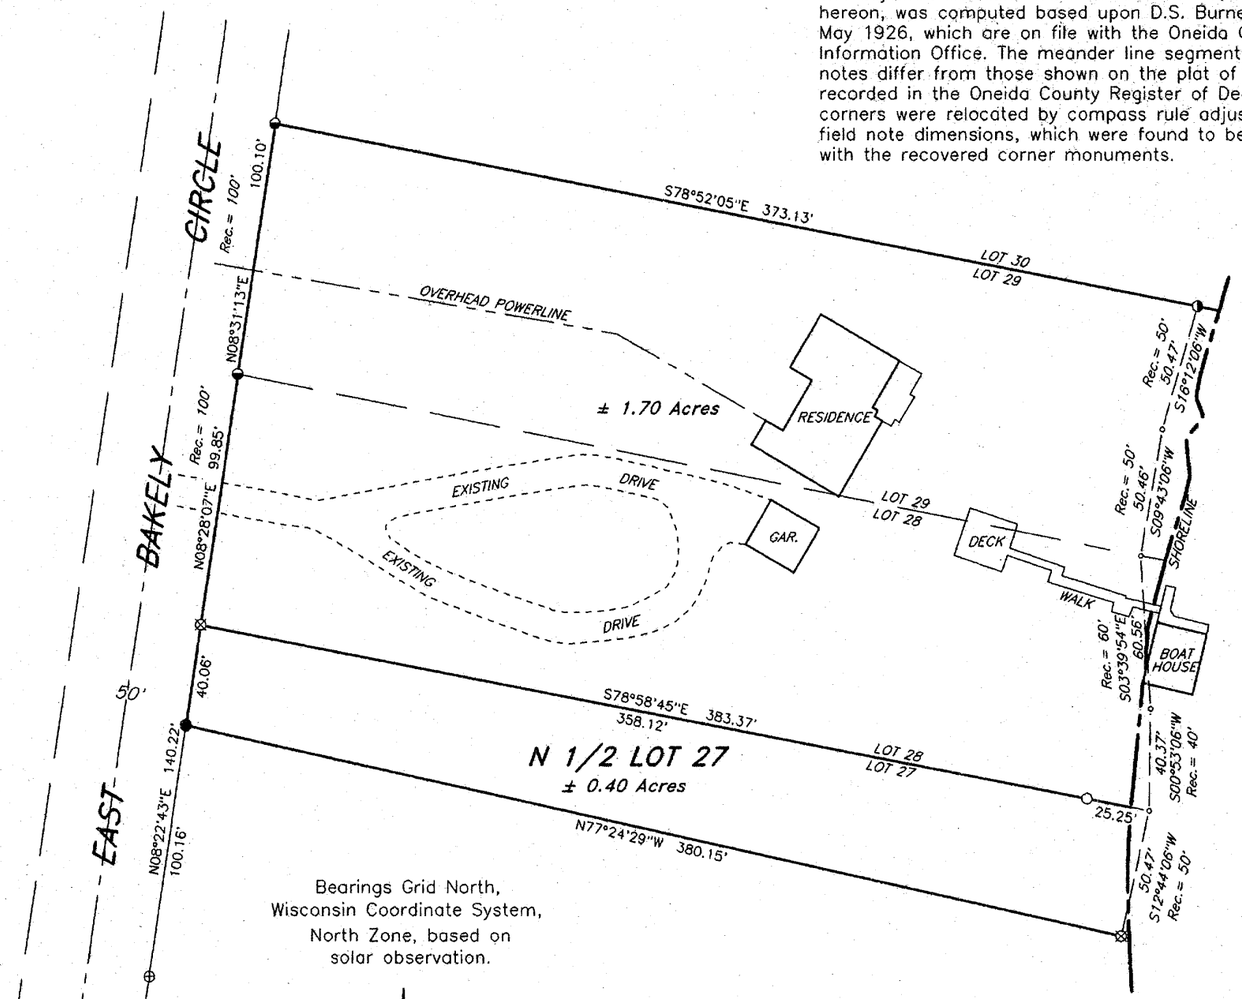
0823

NOTE:
The adjusted shoreline traverse for Lots 27, 28 and 29 as shown hereon, was computed based upon D.S. Burnett's field notes dated May 1926, which are on file with the Oneida County Land Information Office. The meander line segment dimensions on these notes differ from those shown on the plat of BO-DI-LAC as recorded in the Oneida County Register of Deeds Office. Lost corners were relocated by compass rule adjustment based upon the field note dimensions, which were found to be more harmonious with the recovered corner monuments.



Bearings Grid North, Wisconsin Coordinate System, North Zone, based on solar observation.
