

CERTIFIED LAND CORNER RESTORATION

State of Wisconsin }  
County of Oneida } ss.

I, JEROME N. KRAEMER, do hereby certify that on the 20th day of October, 1981, I found evidence of the one-quarter corner of Sections 9 and 10 Township 37 North, Range 6 East, Fourth Principal Meridian, as described hereon; and that from this evidence I established a new monument and accessories as described hereon to perpetuate the original location of this corner:

Description of original monument and accessories and subsequent restorations:

Original corner, a wood post, established in 1863 by J. H. Jenkins, Government Deputy Surveyor.

Spruce 6 N75°E 16  
Tamarack 8 West 6

From county record book, V. M. Maine, County Surveyor "Oct. 26, 1936 Orig. Gov't 1/4 stk. between Secs. 9 and 10 identified by stub of orig. spruce, marks plain VIZ; Spr. 6 N75E .16; Stp of orig. Tam 8 West .06; Set official corner and marked B.T.s VIZ; Spr. 5 N11W .09; Spr. 3-1/2 S70°E .19-1/4"

Description of corner evidence found:

General area now flooded by Rocky Run Flowage. Found V. M. Maine's corner, tipped over, in approximately two feet of water in open swamp (Rocky Run Flowage) with use of metal locator. The corner is a 2" diameter iron pipe with a round tablet stamped to identify corner. From iron pipe I locate BT stp. N11°W, 5.9 feet (Maine's). A second BT stp bears S70°E, 12.7 feet from iron pipe.

Description of monument and accessories I established to perpetuate the original location of this corner:

I adjusted Maine's 2" diameter and approximately 4 foot long iron pipe, with stamped tablet, to a vertical position which agrees with existing BT stumps. Corner now somewhat firm and extends 2" above water level this day. Winter ice will most probably disturb pipe. I established the following new bearing trees on nearby island. I blazed, scribed and drove PK nail in lower blaze of all bearing trees. Distance measured is to PK nail.

- Oak 13" S80°-02'W, 140.58 feet.
- N.Pine 19" N87°-14'W, 138.81 feet.
- W. Pine 8" S75°-51'W, 172.22 feet.
- Set new 3" square pine post one foot east of pipe.
