(b) (f) (g) (h) Description of monument found at this corner and if it was accepted, state all evidence (material, testimonial, occupational, plats, records, other monuments) used as a basis for accepting. If not accepted or if nothing was found, state evidence used as basis for establishing location. If re-established through lost corner proportionate methods, indicate all monuments, distances and directions used to establish. Indicate type of monument and sign post found or set.

NOTE: This is a perpetuation of a previous USPLS Monument Record by Charles E. Winkler, RLS dated January 12, 1999 and filed in the office of the Oneida County Register of Deeds. A complete history of the corner can be found on the previous monument record. I accept the previous location as a true and faithful perpetuation or reestablishment of the original corner location and further perpetuate it as follows.

April 23, 2008: I found and accepted Winkler's monument, an aluminum post, 2-1/2 ins. diam. with Oneida Co. aluminum cap projecting 6 ins. above the ground surface. Two of Winkler's birch are dead or have been cut. I established accessories as shown below and found a white plastic sign post bearing South, 1-1/2 ft. dist.
