I, Stuart L. Foltz, Registered Land Surveyor S-1170, hereby certify that we have located the corners shown on this map, and accurately measured the bearings and distances between them, that we have not determined whether or not these are the true corners of this property, and that this survey was performed by order of L. G. McLaren, who has waived all other requirements of Wisconsin Administrative Code s. A-E 501

Dated this 13th day of October, 1975
