## SURVEYOR'S CERTIFICATE

The undersigned, being a registered surveyor of the State of Wisconsin, certifies to Oneida Sales and Service LLC, its successors and assigns and First American Title Insurance Company, 1.) this map or plat and the survey on which it is based were made in accordance with the [ " Minimum Standard Detail Requirements for ALTA/ACSM Land Title Surveys," jointly established and adopted by the American Land Title Association and the American Congress on Surveying and Mapping in 2005 and meets the accuracy requirements for an Urban Survey, as defined therein] 2.) The survey was made on the ground on 09/30/09 - 10/01/09 by me or under my supervision and correctly shows the legal description and the land area of the subject Property, the location and type of all visible above-ground buildings, structures and other improvements (including sidewalks, curbs, parking areas and spaces and fences) situated on the subject Property, and any other matters situated on the subject Property. 3.) [ Except as shown on the survey, ] there are no visible easements or rights of way which the undersigned has been advised. 4.) [ Except as shown on the survey, ] there are no party walls and no observable, above ground encroachments (a) by the improvements on the subject Property upon adjoining properties, streets, alleys, easements, or rights of way, or (b) by the improvements on any adjoining properties, streets, or alleys upon the subject Property. 5.) The location of each easement, right of way, servitude, and other matter (above or below ground) affecting the subject Property and listed in the title insurance commitment no. TP32373 dated September 3, 2009, issued by First American Title Insurance Company with respect to the subject Property, has been shown on the survey, together with appropriate recording references, to the extent that such matters can be located. The property shown on the survey is the Property described in that title commitment. The location of all improvements on the subject Property is in accord with minimum setback, side yard and rear yard lines, provisions and restrictions of record for the subject Property referenced in such title commitment. 6.) The subject Property has direct access to and from a duly dedicated and accepted public street or highway. 7.) [ Except as shown on the survey, ] the subject Property does not serve any adjoining property for drainage, utilities, structural support or ingress or egress. 8.) The record description of the subject Property forms a mathematically closed figure. 9.) [ Except as shown on the survey, ] no portion of the Property shown on the survey lies within a Special Hazard Area, as described on the Flood Insurance Rate Map for the community in which the subject Property is located. The subject property is located in zone C. [ The survey correctly indicates the zone designation of any area shown as being within a Special Hazard Area. ] The parties listed above and their successors and assigns are entitled to rely on the survey and this certificate as being true and accurate.
