"SURVEYOR AFFIDAVIT"

I, Lloyd W. Scott, registered Land Surveyor #s-584 in the State of Wisconsin do hereby state that I have surveyed the line between the North-east Corner of Government Lot 2 as set by Mr. E.F.Kowalke in 1944 when he was hired by a Mr. Stegeman to find and survey Gov't Lot 2 in which he did, and the Center Quarter Corner as set by Mr. E.F.Kowalke at that time and that in doing so I set the Meander Corner on the East shore of Bearskin Lake on the line between said points, after runing said line I found that the road that the Stegeman are using for a driveway for a good many years to get to thier land. The bulldozing had not got over on to Gov't Lot 2 only some brushing had done on Gov't Lot 2.
