RE: Length of N. Shore Dr. as Town road for Schattschneider

GL3+4

36-38-6

Dear Mr. Osterman:

The length of N. Shore Dr. as measured by the Town Foreman, which includes the total part which is blacktopped, is 1.1 mi. On the DOT Town roads map, it is shown as .96 mi., however the Board has indicated that the entire blacktopped area is Town road.

Sincerely,

Jane Wegner

Jane Wegner
Town Clerk
