

NOTE:
 The adjusted shoreline traverse for Lots 37 and 38, as shown hereon, was taken from D.S. Burnett's field notes dated May, 1926, on file with the Oneida County Land Information Office. The meander line segment dimensions on these notes differ from those shown on the recorded Plat of BO-DI-LAC. Lost corners were relocated by compass rule adjustment based upon the field note dimensions which were found to be more harmonious with recovered corner monumentations.

Bearings Grid North,
 Wisconsin Coordinate System,
 North Zone, based on
 solar observation.

Map No. 96-19
