I have resurveyed Lot 5 as shown hereon for Don & Karen Peterson. I reset the Southwest corner, after it was removed by underground telephone cable installation on Lot 6. During replacement of the iron pipe, I found the hole left by the original iron pipe & re-monumented said location with the same size iron pipe as called for on the Plat. I also located in place, all the other corners on said Lot 5, & brushed & ribboned Lot 5's lateral lines.
