Survey Report – Lacanne Property

**Dear Sara Chiamulera:**

REI Engineering (REI) was hired by David Lacanne to retrace his property boundary located at 2120 County Road Y in Tomahawk, Wisconsin, being Lot 3 of Certified Survey Map Number 4896, recorded in Volume 23 CSM, on Page 4896, as Document Number 797488, filed in the Oneida County Register of Deeds Office. REI's field crew used RTK GPS and were able to locate all the monuments of Lot 3. It was determined the monuments described were the same as the original survey and the bearings and distances matched recorded bearings and distances as shown on the recorded Certified Survey Map. Additionally, wood lath were placed along the west, north, and east lines of Lot 3 to aid in visual reference.

Sincerely,  
 REI Engineering, Inc.
