Subject:

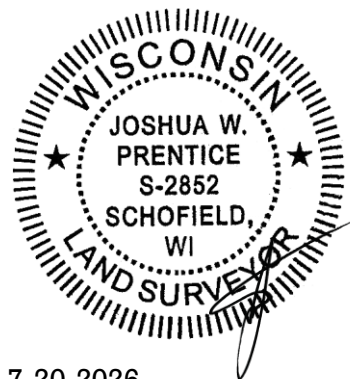

Survey Report – John Peterson

Dear Sara Chiamulera – Oneida County Land Surveyor

REI Engineering (REI) was hired by John Peterson to survey his North property line for his property located at 8740 Bird Lake Road in the Town of Lake Tomahawk. REI obtained the Plat of Survey for the property filed as L1060. The map was signed by Keith R. Vreeland on September 25th of 1981. Subsequent recorded deed Document #744670 utilized this map prepared by Vreeland to establish the boundary of this property. REI's field crew used RTK GPS and were able to locate and confirm measurements to all the monuments shown on the North line from the previously filed Plat of Survey. It was determined that the monuments described were the same and the bearings and distances matched those shown on the Plat of Survey. Additionally, lath were set on the North property line.

Sincerely,
REI Engineering, Inc.

Joshua Prentice, P.L.S. S-2852
Land Surveying Department Manager
