Survey Report – Ross Construction

Dear Sara Chiamulera – Oneida County Land Surveyor

Wilderness Land Surveying, a Division of REI Engineering (REI) was hired by Ross Construction to survey the South property line for the property located at 8170 Panzers Dr. in the Town of Minocqua. Wilderness Surveying, Inc. created the Plat of Survey for the property filed as B8283. The map was signed by James D. Rein on March 6th of 2021. Subsequent recorded deed Document #840266 utilized this map prepared by Rein to establish the boundary of this property. Wilderness Land Surveying's field crew used RTK GPS and were able to locate and confirm measurements to all the monuments shown on the South line from the previously filed Plat of Survey. It was determined that the monuments described were the same and the bearings and distances matched those shown on the Plat of Survey. Additionally, lath were set on the South property line.

Sincerely,
Wilderness Land Surveying, a Division of REI Engineering, Inc.
