Survey Report – Jeffrey R. Woods

Dear Sara Chiamulera – Oneida County Land Surveyor

REI Engineering (REI) was hired by Jeffrey R. Woods to survey a segment of his southerly boundary for his property located at 10493 Denali Drive in the Town of Minocqua. This segment is described as the north line of Lot 7 of unrecorded plat of Wilderness Estates being and shown on map number L3003 filed in the Oneida County surveyor's office, dated January 27th of 2015, for adjoining property owned by Matthew J. Ujcich. REI's field crew used RTK GPS and were able to locate and confirm measurements to the monuments for the northerly line of Lot 7. It was determined that the monuments described were the same and the bearings and distances matched those shown on the filed map. Additionally, wooden lath were set on the north line of Lot 7 for visual aid.

Sincerely,
REI Engineering, Inc.
