Mike,
I will look around the town hall to see what we have. I looked at what the other towns have given you and I don't recall seeing anything that old in our building. There was a lot of old documents stolen years ago that were inside a safe at the town hall. No one knows what was in the safe other than old papers. In any case, I will look through what we have.

I have copies of the old town minutes from the Ashland Historical Society and I've looked through most of those files and it appears to be only minutes. I didn't see any deeds in those files. I will also check with Sherry Tischendorf as she is the one who took the photos from the books in Ashland. She many know what is all up there...

If/when I find things, I'll let you know.
Judy

Mike,
All of our records were lost prior to my time with the town. I will include our clerk in case she does have any.
Thanks

Hi Phil

Do you have any old Town Highway records. Several Towns have the old books and we scanned them and added them to our website(http://oneida.ncwrpc.info/ see 3rd from bottom) We don't have any for Woodboro. If you have records or even copies of old deeds we would like to get a copy of them to add to our site.

Thanks

Mike
