SEC: 30" - 37.11 - May 3 - 1918

AS I have run the E & W $\frac{1}{4}$ Line, and the parties who are having this work done do not want to go to the expense of subdividing this sec. I have used the E & W $\frac{1}{4}$ Line as a base line for the notes for this $\frac{1}{4}$ Line, see Page 371. Dorr's book of Field notes with my notes added.

I had found an over run of 7.43 proportioned over run and set Temp 48 West of center 3220 E. of W $\frac{1}{4}$ P. and run N parallel with West Line var 1° East 3963 to an old Line. Then west on this old Line 10.00 to Lake

East from W $\frac{1}{4}$ Post

175 Stream 40 runs N.W

3.00 to road. Still E. on road

1068 Center of bridge over same stream

3920 to $\frac{1}{8}$ Post

Surveyed that part of Lot 2 which lies East of Lake and stream, and found acreage to be 31.29/100
