

**U.S. PUBLIC LAND SURVEY MONUMENT RECORD**

Note: This form is intended and designed to fulfill all requirements of Wisconsin Administrative Code, Chapter A-E 7.08 U.S. Public Land Survey Monument Record (3) (a) (b) (c) (d) (e) (f) (g) (h) (i). An additional sheet may be added if necessary to conform with said requirements.

(a) CORNER LOCATION: WISCRS - Oneida County  
1/4 Cor. of Secs. 1 & 36 N: 134,795.60 USft  
Township 35 & 36 North E: 131,174.01 USft  
Range 4 East of the 4th P.M. Datum: NAD 1983(2011)  
Town of Lynne County of Oneida

(b) HISTORY OF ORIGINAL CORNER ESTABLISHMENT

Original Surveyor: Original Accessories:  
Date of Survey: Commenced:  
Completed:

(b) (f) (g) (h) Description of monument found at this corner and if it was accepted, state all evidence (material, testimonial, occupational, plats, records, other monuments) used as a basis for accepting. If not accepted or if nothing was found, state evidence used as basis for establishing location. If re-established through lost corner proportionate methods, indicate all monuments, distances and directions used to establish. Indicate type of monument and sign post found or set.

NOTE: This is a perpetuation of a previous USPLS Monument Record by Darren B. Krzanowski, RLS dated December 14, 2012 and filed in the office of the Oneida County Register of Deeds. A complete history of the corner can be found on the previous monument record. I accept the previous location as a true and faithful perpetuation or reestablishment of the original corner location and further perpetuate it as follows.

April 3, 2016: I found and accepted the record monument, a Berntsen "Survey Mark" nail in the centerline of U.S. Highway 8. The existing accessories were found in substantial agreement with the record and were not remeasured as the sole purpose of this work is to report the coordinates of the corner point.

The coordinates shown were derived from two independent RTK observations of the corner point and are referenced to the WISCRS GNSS Network.

(c) (d) (e) Plan view of corner with ties to at least 4 witness monuments. If in disagreement with previously established corner, show the distances between the two corners and also indicate the ties to the disputed.
