ONEIDA CO. SURVEYOR S CALLED

Part of
the
NW 1/4 of the NE 1/4
SECTION 15
T38N, R6E
Town of Hazelhurst
Oneida County, Wisconsin

August 21, 2001

Recovered, verified, and marked the corners and the approximate lot lines of Lot 24, as follows

iron pipe found in place

Lot lines marked approximately with fluorescent surveyor's flagging ribbon

This survey was completed by Foltz and Associates, Inc. for the purpose of locating existing lot corners and flagging approximate lot lines by the order of Jim Mulleady, who has executed a written waiver for all other requirements of Wis Adm. Code Chap. A-E 7. A closed traverse was not made and the minimum accuracy is 1 part in 100 and plus or minus 2°

Bearings and distances shown are based upon a survey by Northwoods Surveyors, Inc dated December, 1968
