ONEIDA CO. SURVEYOR'S OFFICE	

**Note:**  
We did not find a deed to the Town of Minocqua or any other records establishing Pane Road as a town road. However, the Town has been maintaining Pane Road for over ten years and it is listed in the WISLR inventory as a town road having a length of 0.52 miles. We determined that Pane Road is a town road per Chapter 82 of Wisconsin State Statutes, and that the end of the town road is the end of use and maintenance. The end of use and maintenance is just short of the length provided in the WISLR inventory. We established the north and south right-of-way lines using OCS Map No. B7478. The underlying ownership of the town road right-of-way and the area east of the end of the town road was not determined as part of this survey.
