This survey was made for the Lake Tomahawk Sanitary District, hereafter referred to as Client. A written agreement has been made between Inman-Foltz & Associates, Inc. & Client to exclude this survey from the requirements of Wisconsin Administrative Code Chapter A-E 7. The requirements not being complied with are: 1) Monuments were not set to mark all of the corners of the parcels; 2) No descriptions of the parcels has been provided or shown on this map; 3) The exact lengths and bearings of the all of the boundaries of the parcels surveyed have not been shown on this map; 4) The entire boundaries of the parcels have not been surveyed or monumented. It is understood by Client that this survey was performed simply for the purpose of replacing corners removed by sewer line construction, based on previously available survey data.
