For your information and future reference, we are furnishing you a copy of the "Map of Controlled Access". Please place this map on file and make it available for review to any interested persons.

The map illustrates the general locations of access to State Trunk Highway 47 within the project limits. All landowners affected have received the plan sheet(s) indicating their property.

If you need additional information, please contact Frank Loreti at (715) 365-5744.
