 ONEIDA CO. SURVEYOR'S OFFICE

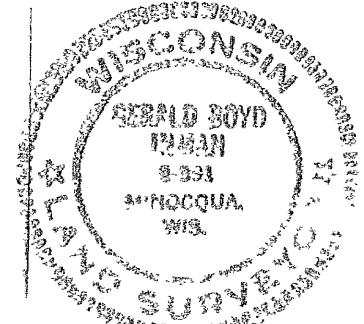

July 28, 1994
 Resurveyed Lot 15 and 16 as follows:
 (Symbol) = Iron monument found in place and determined to be correct;
 (Symbol) = Original iron pipe missing, new 1" iron pipe and plastic lot stake set;
 (Symbol) = Lot lines marked with fluorescent surveyor's flagging ribbon.

This survey was completed for the purpose of recovering and/or resetting existing lot corners and flagging lot lines by the order of James Mulleady. No improvements, encroachments, or easements were located or mapped. James Mulleady has executed a written waiver for those and all other requirements of Wis. Adm. Code Chap. A-E 7 not met by Inman-Foltz & Associates, Inc. in their performance of this survey.
