

NOTE

The Highway Order in 1924 for the layout of Lake Nokomis Road calls for a 3 rod wide roadway. From the legal description on said Order, it is not the intent of this survey to define the limits of the right-of-way of said roadway. I have set iron pipes 1½ rods Southerly of the Section Line and 1½ rods West-erly of the centre-line of Lake Nokomis Road as it presently exists.
