Bearings assumed

This survey was made for and by order of Raymond Johnson and the Burrows Lake Sportsman Club, hereafter referred to as Client. This agreement has been made between Lester J. Schmit, Timberland Surveyor and Client to exclude this survey from requirements of the Wisconsin Administrative Code Chapter A-E 7. The requirements not being complied with are: 1) A monument was not set to mark the Northeast corner of the parcel; 2) A legal description of the parcel was not provided; 3) The exact lengths and bearings of all boundaries of the parcel owned by the Client have not been shown on this map.

This survey is correct to the best of my knowledge and belief.
