EXPLANATORY NOTE

In addition to the Town Road right of way shown above as recorded in Volume 290 Deeds, Page 185, this document also contains the following language

"From the point of ending, described above, a 50 ft. wide right of way for future townroad extends along south east lines of lots nos. 11 and 12 of Bellewood subdivision to the south east extension of the north east line of lot no. 10 of Bellewood subdivision - , all as shown on recorded Plat of Bellewood subdivision "

It is impossible to determine the exact location of this portion of the description, therefore, it has not been shown. It should be noted, however, that since no actual road has been opened, traveled, or worked in this area, this portion of the deeded road right of way has, in my opinion, ceased to be a public highway under Chapter 80 32 par 2 of the Wisconsin State Statutes.
