**NOTES**  
The exterior boundaries of Township 39 North, Range 5 East, were surveyed by Alfred Millard, Deputy Surveyor in 1860 and the township was subdivided by Alexander Anderson, Deputy Surveyor in 1863. The accepted plat and field notes are filed in the office of the Oneida County Surveyor.  
Section 25 was subdivided by Harry C. Hall, Oneida County Surveyor in 1931 under the provisions of then Chapter 59.63 of the Wisconsin Statutes. Hall's survey map is filed in the office of the Oneida County Surveyor as Map No. C-886. It should be noted that Hall recovered evidence of the Millard/Anderson surveys at each of the corners on the exterior of Section 25.

In 1987 I found Hall's 5" sq. concrete monument and replaced it with a 2-1/2" dia. Oneida Co. capped aluminum monument marked as shown.
