- ( ) BEARING AND DISTANCE OF RECORD

**Pelican Lake**

NOTE: The iron pipe West of County Hwy. Q agree with distances shown on the Unrecorded Plat of Judkins Basarich Plots and improvements by local land owners, such as lawns, tree lines, driveways and building improvements also indicate that the local residents have accepted these iron pipes as the property corners. Also previous land surveys in this area have accepted these pipe as the property corners, even though they put bends in the side lot lines which would be contrary to the deeds. We have also accepted these iron pipe as the property corners and have relied on monuments found in place that check with the plat and have precedence over the straight lines called for in the deeds.
