West 1/16 line established by Norman J.  
Loftus in surveys dated 6/15/1979 and  
12/6/1979 and from which deeds were  
written in this area. The position of  
this line was determined from a previous  
1982 Ripco survey in which N. Loftus  
subdivided Section 18 but forgot to  
proportion. The true proportioned  
position for this line would be about 28  
feet further East. A Robert E. Badow  
survey dated 7/27/1984 also uses this  
line as monuments found in place from a  
Todd J. Loftus survey dated 3/20/1980.
