

LAND CORNER PRESERVATION RECORD

It is the purpose of this record to preserve the location of a survey or land corner monument that may be disturbed, removed or inaccessible due to road construction or other activity.

County: Oneida	City, Village, Town: Little Rice	Section: 12	Town: 37 N.	Range: 5 E.
--------------------------	--	-----------------------	-----------------------	-----------------------

Describe what was found, its location and origin. If known, describe if the monument found is a 1/16 corner or other subdivisional corner; a monument called for in a deed; a monument shown on a survey map or plat etc and in what GL or ¼ - ¼ section or subdivision the monument is located.

24 May 2004: As described on OCS# B-4454, I found a 1-1/2 ins. diam. iron pipe on the northerly right-of-way line of County Highway Y. The railroad spike at the actual corner location has been dragged out of the pavement surface.

The iron pipe is 33 ft. north of the centerline of County Highway Y and as such, is outside of the limits of road construction.

I set crossed lath over the monument.

Approximate location within Section 12, T37N, R5E
