April 25, 2005 - Due to road construction Nicolet Surveyors, Inc. was hired by the Oneida County Land Information Office to preserve the location of this survey marker. We found a 1" iron pipe with an aluminum cap along with 3 bearing trees - See U.S.P.L.S. Monument Record by Daniel Pleoger dated February 13, 2001. The corner lies approximately 80-90' North of the center line of old Highway "8" roadbed and is not in danger of being disturbed due to road construction.
