May 7, 2008 - Prior to road construction we searched for a property corner in the centerline of Lakewood Road and found nothing. This corner falls in a newly paved road which looks like it was paved last year. The new pavement extends from the South approximately 150' to 200' North of the corner location. This corner was shown on the Plat of Survey by Genisot Engineering Company dated 09/13/1961 - Oneida County Land Information Office Map Number B-6830.
