Describe survey landmark found or reset and origin if known, such as being a 1/16 corner, called for in a deed or shown on record land survey map or plat, also note location by Gov't. Lot, 1/4-1/4 section or other PLSS subdivisional tract.

May 22nd, 2009, I searched for the Center-South Sixteenth Corner and in the search area I located a magnetic draw below the pavement. A local landowner stated the pavement was approximately three years old, therefore I did not dig up the pavement. This position agrees with survey map A 1310.
