(Land Records) (May be erroneous, see Sec. 16) a 2" i.p. was set in 1965 by Northwoods Surveyor's for the corrected location at 2 ch east of GLO pipe. There ~~was~~ was a 2 ch. error (according to the memory of H. Berndt.) Apparently Ivan Kessler found the 2 ch error in the 1940's and Northwoods used that information.
