

STATEMENT OF CHANGES IN MILEAGE OF LOCAL ROADS AND STREETS

The Wisconsin Highway Commission,
Gentlemen:

The undersigned, representing the Town of Cassian, Oneida County, Wisconsin, does hereby certify that the mileage of roads and streets, in the said Town eligible to be counted in determining the amount to be allotted to the said Town under the provisions of Subsection (6) of Section 20.49 of the Statutes and due January 1, 1929, bears the following relation to mileage shown on the plat filed in 1925 as required by that subsection.

1. The following described roads or streets have been discontinued and are no longer used for travel:

2. The following described roads and streets, in addition to those on which the 1926 allotment was made, have been opened and are now used for travel:

30 rods in sec 6 36-6 running east from north line
240 rods in sec 36-36-6 running northeast from
with West corner and sec
328 rods in sec 28-37-7 running east
328 rods in sec 28-37-7 running south from north line

Signed Chas E Smith
Title Chairman of Cassian

Personally appeared before me, this 23 day of November, 1928, Chas E Smith, who signed the foregoing statement, and being sworn, on oath, declared the same to be true.

My Commission Ronald Shugart Notary Public
expires February 1930

(Note: Statement must be filed by Dec. 1, 1928, otherwise it will be assumed that there have been no changes and the allotment will be made on the 1925 basis).
