

STATEMENT OF CHANGES IN
MILEAGE OF LOCAL ROADS AND STREETS

The Wisconsin Highway Commission,
Gentlemen:

The undersigned, representing the Town of Piehl,
Oneida County, Wisconsin, does hereby certify that the mileage
of roads and streets, in the said Town eligible to be
counted in determining the amount to be allotted to the said Town,
under the provisions of Subsection (8) of Section 20.49 of the
Statutes and due January 1, 1928, bears the following relation to
mileage shown on the plat filed in 1925 as required by that subsection.

1. The following described roads or streets have been dis-
continued and are no longer used for travel:

2. The following described roads and streets, in addition
to those on which the 1927 allotment was made, have been opened and
are now used for travel:

The Chairman of the Town of Piehl asked me to send you
the information that there has been no change made
in our Town Roads
The last year's allotment was \$230.00

Signed L. G. Hottel
Title Town Clerk

Personally appeared before me, this 24 day of Nov,
1927, L. G. Hottel, who signed the foregoing statement, and
being sworn, on oath, declared the same to be true.

My Commission None here to sign this Notary Public
expires 14.

(Note: Statement must be filed by Dec. 1, 1927, otherwise
it will be assumed that there have been no changes and the allotment
will be made on the 1925 basis).
