
STATEMENT OF CHANGES IN
MILEAGE OF LOCAL ROADS AND STREETS

The Wisconsin Highway Commission,

Gentlemen:

The undersigned, representing the Town of Pine Lake, Oneida County, Wisconsin, does hereby certify that the mileage of roads and streets, in the said township eligible to be counted in determining the amount to be allotted to the said township under the provisions of Subsection (8) of Section 20.49 of the Statutes and due January 1, 1927, bears the following relation to mileage shown on the plat filed in 1925 as required by that subsection.

1. The following described roads or streets have been discontinued and are no longer used for travel:

None

2. The following described roads and streets, in addition to those on which the 1926 allotment was made, have been opened and are now used for travel:

The Larson road ½ mile new road
The Moons Park road ½ mile was not listed last year
The road road commission ctr State Hgwy 13 near No 21 runs N So 1½ 37½ 9 thence in a west eastern direction
The Moon Park road starts at County trunk C at right angle no 4 and follows the Moons Lake in an Easterly direction

Signed Ernest Miller
Title Chairman

Personally appeared before me, this 9 day of Dec, 1926, Ernest Miller, who signed the foregoing statement, and being sworn, on oath, declared the same to be true.

My Commission expires Sept. 30 1928 — Notary Public, Oneida County.

(Note: Statement must be filed by Dec. 1, 1926, otherwise it will be assumed that there have been no changes and the allotment will be made on the 1925 basis).

12½ Miles
